# Seagrass Dive Survey

Mariners are advised that permission has been given for diving operations to be conducted over the afternoon of Friday 3<sup>rd</sup> May 2024 by 'Wavedancer' an 11m catamaran operated by the University of Plymouth. Diving is planned north-east of Woodville Rocks, indicated by the green highlight on the chart segment below, 2h either side of high water (12:35-16:45 approximately). Wavedancer will display her A Flag (pictured) indicating "I have a diver down, keep clear at slow speed".
