Waterborn will be hosting **SUP The Creek** over this coming weekend, **21<sup>st</sup> - 22<sup>nd</sup> October 2023**. The size of each course and time of each race is subject to change at short notice but the maximum extent is described and pictured below.

The poster features the Waterborn SUP logo at the top with the slogan "See you on the water!". Below it, a central graphic displays "2023 SUP THE CREEK" in a circular, distressed font. To the left, a map of Salcombe Harbour shows an anticlockwise race route starting from South Sands, passing through Port Charles, Sunny Cove, North Sands, and South Sands. To the right, a map of Kingsbridge Estuary shows a clockwise race route starting from Kingsbridge, passing through New Bridge, Frogmore, Blanks Mill, and Collapit Creeks. The bottom section includes the Salcombe Gin logo, a "Proudly Sponsored by" section with logos for Starboard, Red Bull, and Moonshine, and a grid of other sponsors including Coast to Coast Water Safety, Jewson, SUP Event Management Ltd, and others.

- 15:30 Saturday 21<sup>st</sup> Oct: Afternoon racing will be conducted from South Sands involving a number of anticlockwise laps across the harbour rounding temporary marks between the Bar, Sunny Cove, North Sands and South Sands.
- 10:00 Sunday 22<sup>nd</sup> Oct: Morning racing will be conducted from Kingsbridge south across Widegates rounding temporary marks in Newbridge, Frogmore, Blanks Mill and Collapit Creeks in a clockwise direction.

During this event we ask all other mariners to be respectful of the competitors, leaving a wide berth and giving way where it is safe to do so. The races will be marshalled by safety boats, adjudicator craft and lifeguards with the courses marked by large temporary inflatable buoyage.

PLEASE KEEP CLEAR and be WAKE AWARE should you be navigating in the vicinity.
