

SOUTH HAMS DISTRICT COUNCIL

SALCOMBE HARBOUR – KINGSBRIDGE ESTUARY

LOCAL NOTICE TO MARINERS NO 17 OF 2023

UNSTABLE QUAY EDGE

Works currently underway at Custom/Victoria Quay in Salcombe, to rebuild the quay wall, have been extending following increased concern over the stability of the quayside. This area of quayside will therefore remain closed off between the Lifeboat Station and Victoria Quay Pontoon until works have been completed (50° 14.336 N 003° 45.982 W). While the quayside highlighted in orange below remains closed to the public, extra efforts will be made to stabilise the wall. As pictured, a works barge and associated equipment is alongside the quay but further equipment and materials are expected along this perimeter including at the bottom of the wall to help stabilise the area.

Please do not attempt to berth alongside this section of wall and use caution if manoeuvring within the vicinity – NO WAKE. If walking along the foreshore we strongly advise you do not attempt to pass this particular section of sea wall, approach the foot of the wall or any equipment and materials placed here.

Cancel this LNTM 31st December 2023
