LOCAL NOTICE TO MARINERS NO 3 OF 2024

Unmanned Survey Vessel operations

Mariners are advised that over the next two week period, from Monday 19th February, a 6m unmanned survey vessel (pictured), along with 5m manned support rib, will be conducting seagrass surveys off Salcombe between South Sands and Snapes Point as highlighted in green on the below diagram.

She is unlikely to be positioned anywhere that will restrict normal navigation through the harbour but please treat her as being restricted in ability to manoeuvre and give her a wide berth, keeping wake to a minimum.

Cancel this LNTM 1st March 2024.
