**LOCAL NOTICE TO MARINERS NO 13 OF 2024**

**KINGSBRIDGE FAIR WEEK – FIREWORKS 26th July 2024**

Kingsbridge Fair Week firework display will take place at **22:00 Friday 26<sup>th</sup> July 2024** from a pontoon at the entrance to Tacket Wood Creek south of the Quay Car Park. An **exclusion zone**, centred on the fireworks pontoon (3) will be maintained for the duration, indicated by the red circle, this may be expanded depending on wind strength. Berthing alongside the wall (1) and the visitors pontoon (2) will be unavailable on Friday to facilitate firework preparations. The pontoon and tow boat are restricted in their manoeuvrability and need to be treated as such and given a wide berth.

**FIREWORK TECHNICIANS WILL NOT COMMENCE THE DISPLAY  
IF THE EXCLUSION ZONE IS NOT CLEAR**

From 21:45 Kingsbridge Pontoon will be closed until the display has concluded. Access beforehand will be provided **ONLY** to those with boats berthed on the pontoon. If you wish to view the fireworks from onboard your boat (not just on the deck of the pontoon) please access the pontoon before 21:45.

All vessels are to temporarily moor or anchor (alongside another boat where necessary) during the display to maintain position without the need to be underway. Many boats and tenders will often congregate for the duration of the event but we would like to remind everyone that displaying navigation lights is essential while under way after sunset – for small tenders, this may only be a torch. All vessels should exercise extreme caution navigating in a busy waterway, keeping speed and wake to a minimum whilst maintaining a good look out.
